## PROFILE

Dynamic Frontend and Flutter Developer with over 2 years of freelance experience, skilled in building responsive websites and cross-platform mobile applications. Proficient in React, Next.js, Tailwind CSS, and Flutter. Passionate about writing clean, efficient code and delivering visually appealing, users-friendly solutions.

## EXPERIENCE

**Frontend Developer (Freelance) | Luxor | May 2022 – Present**

- Built responsive, production-ready websites using React.js, Next.js, and Tailwind CSS.
- Translated Figma mock-ups into pixel-perfect, interactive interfaces.
- Developed portfolio websites, marketing landing pages, and interactive web applications.
- Ensured high-quality, scalable, and visually appealing solutions.

**Flutter Developer (Freelance) | Luxor | 2024 – Present**

- Developed cross-platform mobile applications for iOS and Android using Flutter and Dart.
- Built full-fledged apps from scratch and integrated third-party APIs.
- Focused on delivering seamless user experiences and maintainable code.
- Solved complex technical challenges through clean architecture and scalable solutions.

## EDUCATION

High Institute for Engineering and Technology, Sohag | 2023 – 2028  
Bachelor's degree in Electrical and Electronics Engineering (Expected 2028).
